Preschool Bible Curriculum (Ages 3-5)

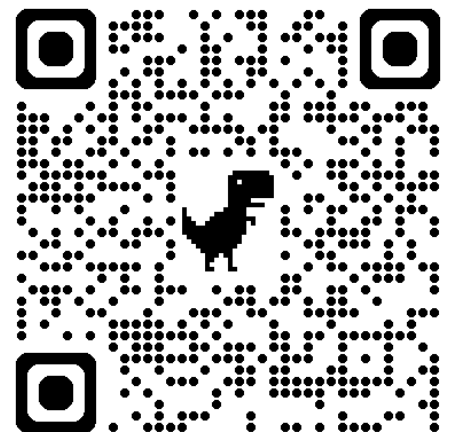

FOUNDATIONS Preschool: Summer 2026

FOUNDATIONS Preschool Sunday School Curriculum will introduce younger children (age 3-5) to God's big story! This chronological Bible curriculum is designed specifically for ages 3-5. We've taken the same robust, gospel-centered scope and sequence from our elementary program and tailored it for early learners. Through play-based learning, simple storytelling, and hands-on crafts, little ones will discover that the Bible isn't just a book of stories—it's one big story, and Jesus is the hero!
